

“I thank Christ Jesus our Lord, who has given me strength, that He considered me faithful, appointing me to His service. Even though I was once a blasphemer and a persecutor and a violent man, I was shown mercy because I acted in ignorance and unbelief.”

“But for that very reason I was shown mercy so that in me, the worst of sinners, Christ Jesus might display His unlimited patience as an example for those who would believe on Him and receive eternal life.”

*1 Timothy 1:12-13, 16 (NIV)*

### A Recent Testimony (Summer 2011)

Two riders, who rode across country with us on Run For The Wall, came to the altar to accept Christ, along with several other individuals, in a service we preached in the D.C. area in June. The challenge of being Christ-like while facing trials, of simply being available to the riders while being included in their world allows us to reach people we would never meet, if not for the Holy Spirit's presence and direction.

Obedience to the Word, and being real in our faith are key to reaching lost bikers.

As founders of **HonorBound Motorcycle Ministry** 12 years ago, we envisioned having impact on riders' lives. Now that we're embedded many riders have become believers. Your support of this ministry humbles us and honors Christ. Thank you.

## CHAPLAINCY MINISTRIES

As Assembly of God nationally appointed US Missionaries, Chaplains Russ and Judy Cockrum minister to Americas more than nine million bikers and motorcyclists. ## Jesus Loves Bikers, Too

"Addicted to drugs and alcohol, about to lose my marriage and my job, that's how I came to Jesus," states Chaplain Russ Cockrum.

"An Assemblies of God pastor made me a cup of coffee and explained how things could be different. I had never heard of the Assemblies of God and knew nothing of Pentecost or the Holy Spirit. But, somehow, maybe just purely out of desperation, I sensed everything was about to change."

A few days later Russ and his wife, Judy, accepted Christ as

Lord and Savior. Soon they were filled with His Holy Spirit and called to ministry. Now, after 20 years pastoring two Assemblies of God congregations, Russ feels compelled to return to the harvest field as a missionary to America's bikers.

Chaplain Russ remembers, "That Sunday night after I prayed to receive Jesus into my life, I also asked God to never let me forget from where I had come. I never have. Now it is time to go back and tell as many as I can that, 'Jesus loves bikers, too.'"
